

Roma's Pizza has been a beloved staple in Bethalto, IL since its opening on February 20, 1973. Founded by the Pizzo family, originally from Sicily, Italy, our pizzeria quickly became a local favorite, known for our authentic Italian recipe pizza.

Over the years, we've faced and overcome various challenges, including armed robbery, burglary, and a devastating fire that destroyed our original location on Prairie Street. These obstacles led us to relocate twice—first to 136 West Bethalto Blvd and then to our current home at 121 East Bethalto Drive, where we found ample parking space to accommodate our growing number of customers.

Despite these trials, our commitment to serving delicious, mouth-watering pizza has remained unwavering. Now in our third generation of pizza makers, our family—Mimma, Rosa, Angelo, Vincenzo, Angelo, Lin, Julian, and Alexia—continues to uphold the tradition of quality and excellence that Roma's Pizza is known for.

Thank you for choosing Roma's Pizza. We look forward to welcoming you back time and time again!
